

HEALTH, SAFETY AND WELFARE POLICY

POLICY STATEMENT:

EKC Group recognises and accepts its responsibilities and obligations both as an employer and as an institution of further education and training to provide a safe working and learning environment for its employees, and for other users of its premises including students, visitors, contractors and members of the public.

This policy sets out the responsibilities and how they will be met by the Group in greater detail in order to comply with statutory regulations and to ensure as far as is practicable, that a healthy and safe working environment is in place.

The Group takes the following stance on health, safety and welfare matters:

- Health, safety and welfare is everyone's responsibility;
- The personal health, safety and welfare of everyone who uses our sites is our highest priority. We also focus on continuously improving the work and study environment;
- Health, safety and welfare can, and will be, effectively managed at every level;
- All incidents can be prevented. We strive continuously for zero harm to staff, students, contractors and visitors, material and non-material assets;
- We choose to conduct our operations through efficient use of materials and energy, with minimum waste and damage to the environment.

To live up to the above, we:

- Require every employee to take personal responsibility for health, safety and welfare by focusing on their own behaviour;
- Apply a systematic and measurable approach to continually improve our health, safety and welfare culture and performance;
- Bring with us our high health, safety and welfare standards wherever we do business. Complying with applicable laws and regulations is only the minimum;
- Provide a suitable and specific grounding in health, safety and welfare matters for all students that attend the college;
- Openly communicate health, safety and welfare issues and performance, and share and learn from best practice, internally and externally;
- Integrate health, safety and welfare considerations into all business processes;
- Require line management to provide health, safety and welfare leadership and implement this policy.

The policy is applicable to all staff, Governors, students, contractors and other stakeholders whether they utilise the Group's resources and premises, work

remotely/on a mobile basis or at outreach sites. The person with overall responsibility for the implementation of this policy is the Group Principal and Chief Executive.

This policy will be reviewed, added to or modified on at least a bi-annual basis or when legislative and process changes are implemented.

DETAILS:

HEALTH AND SAFETY ROLES AND RESPONSIBILITIES

1. Governing Body

The Governing Body accepts its role both collectively and individually to provide health, safety and welfare leadership within the Group. The Governing Body will take account of the health, safety and welfare implications of all decisions taken and provide the same positive attitude towards risk management and mitigation that is expected from all staff. The Governing Body receives and approves an annual report on the Group's health and safety performance.

2. Group Principal and Chief Executive

- 2.1 Ensure at Group level that health, safety and welfare matters are an integral part of all strategic decision making
- 2.2 Promote a positive and pro-active health and safety culture across the Group.
- 2.3 Ensure that the principles of the health, safety and welfare policy are embedded within the Group and that its principles are supported at the highest level.
- 2.4 Ensure that adequate funds are included in all financial planning to support the successful implementation of the policy.

3. Head of Student and Community Affairs

- 3.1 Advising on the strategic direction of health and safety and ensuring that the Group has an appropriate and up to date policy and procedures in place.
- 3.2 Advising, supporting and guiding the Executive and other staff in performing their duties under health and safety legislation.

Owner: Head of Student and Community Affairs

Stage of Approval: Approved

Approving Body: Full Governing Body

Date of approval: July 2018

- 3.3 Reporting annually to the Board of Governors on the record of health, safety and welfare in the Group and advising the Board of any necessary changes in the situation for the future. Reporting on the health and safety performance to the Risk, Audit and Compliance committee.
- 3.4 Reporting RIDDOR accidents and incidents to the HSE and ensuring that follow up investigations are undertaken.
- 3.5 Liaising with the Head of Estates and Capital to ensure that appropriate control measures are in place for the health and safety arrangements on capital programmes. This includes ensuring that regulations under CDM are adhered to and that monitoring officers are fulfilling their obligations.
- 3.6 Ensuring consistent processes and procedures are in place for all operational health and safety matters e.g. internal inspections, fire risk assessments, accident reporting and monitoring etc.
- 3.7 Commissioning external health and safety expertise to enable a balanced perspective on health and safety matters.
- 3.8 Ensuring that mechanisms are in place for consultation on health and safety matters. Effective operation of and participation in, college level health and safety committees (where they are in place), in collaboration with union and other colleagues.
- 3.9 In collaboration with the Head of Corporate Affairs, implementation of the college's disaster recovery and emergency response procedures.

4. College Principals/Director of WorkHigher

- 4.1 Ensure at College level that health, safety and welfare matters are an integral part of all decision making.
- 4.2 Promote a positive and pro-active health and safety culture across the College and ensure that Managers and leaders act as role models for good health and safety practice.
- 4.3 Ensure that the principles of the health, safety and welfare policy are embedded within the College and that procedures are adhered to.
- 4.4 Ensure that adequate funds are included in all financial planning to support the successful implementation of the policy.
- 4.5 Manage any breaches of health and safety policy and procedure.

Date of approval: July 2018

- 4.6 Chair local health and safety committees where they are in place and ensure that actions are followed up on in a timely manner.

5. College Managers and Heads of Area/Service

College Managers and Heads of Area/Service have a range of responsibilities for their designated areas of the College. In particular they are responsible for modelling good health and safety practice and fostering a positive health and safety culture. College Managers and Heads are expected to take reasonable steps, within their authority, to:

- 5.1 ensure that all staff and students in their respective areas are aware of their responsibilities under this policy and that all staff and students work in a safe manner;
- 5.2 adhere to the Group's health and safety policy, and clarify the responsibilities of managers, staff, students and visitors using their area/s of the College, including off-site work, e.g. educational trips and visits and work experience;
- 5.3 disseminate relevant information about health, safety and welfare matters to members of their staff, and to make arrangements for appropriate training and retraining using specialist personnel/resources; to ensure that all new staff receive appropriate health and safety induction training.
- 5.4 ensure that all accidents, incidents and near misses are reported and for following up on any actions identified in accident/incident investigations;
- 5.5 ensure that staff and students are aware of fire and emergency evacuation procedures and that they co-operate fully with fire and emergency drills;
- 5.6 ensure that their areas of the group are kept in a clean, tidy, orderly and safe condition, and that their teaching staff and support staff are active in maintaining all teaching areas, workshops, laboratories and equipment in a safe condition and ensuring that all persons using them behave in a safe and proper manner at all times;
- 5.7 manage any breaches of health and safety in accordance with the staff and student disciplinary procedures;
- 5.8 ensure arrangements are in place for the safe use, storage, transfer and disposal of hazardous materials and waste;
- 5.9 where applicable, ensure that all safety instructions outlined in programmes of study are implemented by teaching staff and that safety

Approving Body: Full Governing Body

Date of approval: July 2018

instructions and precautions specified for certain departments or sections or practical work carried out in workshops and laboratories are heeded and adhered to;

- 5.10 ensure that appropriate risk assessments are conducted for working areas/equipment, COSHH, pregnancy, stress etc., that risk assessments are actively used and that they are updated when changes are needed;
- 5.11 support and participate in health, safety and welfare inspections/audits carried out by staff with health and safety responsibilities and union appointed safety reps. To take appropriate and timely action to address any remedial measures;
- 5.12 ensure that whenever any specific action is required to comply with any Safety Regulation, Directive, or Code of Practice pertinent to their area, it is implemented;
- 5.13 where appropriate, ensure all students receive guidance on general health, safety and welfare as part of their induction programme and on-going support and guidance during their programme of study.
- 5.14 ensure that staff occupational health and welfare is promoted (DSE assessments, health checks, eye sight tests, health surveillance etc) and that any issues are investigated and resolved as soon as possible.

6. Head of Estates and Capital

- 6.1 Ensure the delivery of planned preventative maintenance schedule for all Colleges and Group sites;
- 6.2 ensure the effective delivery of safety and security services at Colleges via the Estates/Facilities Managers
- 6.3 ensure that appropriate control measures are in place for the health and safety arrangements on capital programmes. This includes ensuring that regulations under CDM are adhered to and that monitoring officers are fulfilling their obligations.

7. Estates Managers

- 7.1 Responsible for maintenance systems (including defect reporting) to ensure that College buildings and grounds are kept in a condition that is,

Approving Body: Full Governing Body

Date of approval: July 2018

so far as is reasonably practicable, safe, clean and without risk to health and safety;

- 7.2 Provide safe access and egress for all users of College property.
- 7.3 Liaising with the Head of Estates and Capital to ensure that essential services and equipment are provided and maintained in a safe, serviceable condition and as appropriate to ensure that statutory inspections and tests on various items of equipment are carried out and recorded under an agreed planned preventative maintenance schedule;
- 7.4 Ensuring the health, safety and welfare of all Estates staff as regards their working environment, practices and competence.
- 7.5 Ensure the effectiveness of fire safety and evacuation arrangements, including the scheduling of fire and emergency drills, the monitoring of fire risk assessments, firefighting equipment servicing, emergency light testing and maintenance of the College's procedure and plan*.
- 7.6 Arrange for the recording and monitoring of accident reports and notification to the appropriate authority of the injuries, diseases and dangerous occurrences; to ensure that any incidents that require follow up are learnt from and that measures are put in place to prevent further accidents or incidents*.
- 7.7 Control and co-ordination of, and co-operation with contractors employed by the Group on estates contracts to ensure so far as is reasonably practicable that their conduct does not present a risk to health and safety. This includes the permit to work system and provision of required plans and information to enable such contractor to complete their work safely.
- 7.8 Ensure that any unsafe machine, tool or structure is adequately immobilized and then made safe when notified.
- 7.9 Advise on the suitability and siting of any new items of machinery that proposed to be purchased by the college.
- 7.10 Control and co-ordination of the College's portable appliance testing programme.
- 7.11 Give advice when requested on machinery and equipment purchased by the Group both prior to usage and when problems have been identified.
- 7.12 Resolve/prohibit activities, which contravene legislation or involve a risk of injury found during monitoring duties*.

Owner: Head of Student and Community Affairs
Stage of Approval: Approved
Approving Body: Full Governing Body
Date of approval: July 2018

- 7.13 Maintain accident records and statistics, ensure accident reports are prepared, analysed and where appropriate, investigated and reported to the Head of Student and Community Affairs for onward reporting to the HSE*.
- 7.14 Carrying out first aid risk assessments to determine appropriate levels of first aid resource. Provision of qualified first aid cover and ensure first aid supplies are stocked appropriately*.
- 7.15 Oversee the effective operation of security services and the Safe Campus policy (stop and search)*.

Items marked * may be delegated to College Safety and Security staff but overall responsibility lies with the Estates Manager.

8. Head of HR/College based HR staff

- 8.1 Ensure that all staff job descriptions contain adequate information that relate to the health, safety and welfare responsibilities of the post.
- 8.2 Ensure that training needs in respect of health safety and welfare are identified at interview and upon appointment and are passed to the appropriate Manager to arrange.
- 8.3 Ensure that every member of staff receives and signs for a copy of the Group health safety and welfare Policy.
- 8.4 Liaise with the Head of Student and Community Affairs regarding any staff RIDDOR or occupational health matters which require a review of policy and procedure. Provide staff absence data for review when requested.
- 8.5 Have ownership of relevant HR policies in relation to health safety and welfare e.g. Absence staff wellbeing etc.
- 8.6 To ensure where a need is identified that new and existing staff in particular departments receive regular health surveillance by a competent 3rd party and to collate and communicate the results back to the nominated College lead for health safety and welfare as required.

9. Members of Staff

All employees have a duty under Section 7 of the Health and Safety at Work Act 1974 to co-operate with management in the implementation of the health, safety and welfare policy, and to take reasonable care of their own health, safety and welfare

Owner: Head of Student and Community Affairs

Stage of Approval: Approved

Approving Body: Full Governing Body

Date of approval: July 2018

and that of others who may be affected by what they do or fail to do whilst at work. In particular, all staff will ensure that they:

- 9.1 Observe safety rules at all times and make themselves familiar with the Group health, safety and welfare policy, procedures or other instructions that may from time to time be issued.
- 9.2 Make full and proper use of protective safety clothing, equipment and devices and report any damage or defect to line management without delay. Ensuring where necessary that students use all appropriate safety clothing and equipment required where identified through risk assessment.
- 9.3 Report all accidents, injuries, near misses work related ill health and damage, to their line manager, whether persons are injured or not, using correct reporting procedures.
- 9.4 Report all hazards to their line manager who will also be pleased to receive any suggestions to improve health, safety and Welfare.
- 9.5 Do not recklessly interfere with, or misuse, anything provided to comply with any regulation made under the Health and Safety at Work Act 1974.
- 9.6 Report anyone interfering with, or misusing, anything provided to comply with health, safety and welfare legislation to their Manager.
- 9.7 Co-operate with the Group to enable the Group to comply with statutory duties under the Health and Safety at Work Act 1974
- 9.8 Report any work situation, which might present a serious and imminent danger to their line manager without delay. This danger may be to themselves or to others.
- 9.9 Report any shortcomings in the health, safety and welfare arrangements that are outside their remit to correct, even when no immediate danger exists, to their line manager so that remedial action can be taken as needed. Where the corrective action is within the remit of the member of staff action must be taken promptly to correct the situation.
- 9.10 Attend for health surveillance where risks to their health, safety and welfare have been identified to enable the Group to discharge its responsibility for providing appropriate health surveillance.
- 9.11 Only work within their own competence, training and authorisation.

- 9.12 Make themselves familiar with the emergency procedures in place in their area(s) of work
- 9.13 Academic staff are responsible for the students under their control and must ensure that the students receive:
- Timely instruction, training information and supervision to ensure that all coursework is carried out in safety.
 - Instruction in the fire and emergency procedures including those for disabled students to be followed as soon after enrolment as is reasonably practicable.
 - Information on the use, handling and storage of potentially hazardous substances, materials or plant.
 - Use correctly, and without fail, such Personal Protective Equipment as is required by statute or College risk assessment.
 - Demonstrate the safe use of equipment and machinery and ensure that machinery is only used with appropriate supervision and in accordance with safe systems of work.

10. Students

- 10.1 Comply with instructions and not take actions that put themselves and others at risk.
- 10.2 To wear all PPE provided by the EKC Group. Report any concerns with health and safety to their Tutor immediately.

MONITORING OF HEALTH AND SAFETY

Reporting on health and safety compliance and developments will take the following format:

- College health and safety committees (where requested) will meet termly and any issues will be reported to the Risk, Audit and Compliance Committee. The agenda items focus on legislative updates and any associated implications, accident statistics and any other matters relating to health, safety and welfare.
- An internal audit schedule is in place for all areas. Areas considered higher risk are audited annually and lower risk areas are audited every two years. Each audit has an action plan which is followed up on. Union reps undertake area walkthroughs and report

Owner: Head of Student and Community Affairs
Stage of Approval: Approved
Approving Body: Full Governing Body
Date of approval: July 2018

- College performance indicators for accident/incident and near miss monitoring are in place.
- An annual report on health and safety performance will be provided to the Governing Body.
- Where possible, the Group will arrange for a bi annual peer review of health and safety performance through a peer college.
- Analysis and monitoring of the outcome of health surveillance.
- The Group retains the services of external health and safety consultants.

PROCEDURES FOR RAISING COMPLAINTS ON MATTERS OF HEALTH AND SAFETY

- Any person (employee, student or visitor) who is concerned about a particular health or safety problem shall first raise the matter with the relevant Manager/Head of area who shall consider the matter and take action as appropriate. If the complaint is about a matter which is not within the Head of Area/Service's authority to remedy, the Manager/Head of area will consult with the Head of Student and Community Affairs before responding.
- If the person's point of concern is not dealt with satisfactorily by this approach, he/she shall take up the matter with the Principal and it will be dealt with via the Group's complaints procedure for external complaints (from students, visitors etc) or via the Group's Grievance procedure for complaints from staff.
