- An open and receptive approach to solving risk problems is adopted by the Governing Body
- More detailed arrangements for the management of risk fall within the terms of reference of the Audit Committee
- Local College Board(s) have delegated powers from the Governing Body for oversight of local College risk management
- The Risk, Audit and Compliance Committee has overall responsibility for the administration and implementation of the risk management process, and is responsible for providing adequate information to the Governing Body on the status of risks and controls
- EKC Group Leadership Team supports, advises and implements policies approved by the Governing Body
- Senior and middle managers are responsible for encouraging good risk management practice within their teams
- Key high risks will be identified, mitigated and closely monitored on a regular basis

PROCEDURES:

Role of the Governing Body

The Governing Body's role in the management of risk is to:

Set the tone and influence the culture of risk management within EKC Group , including:

- Determining the degree to which EKC Group is 'risk taking' or 'risk averse' as a whole or on any relevant individual issue
- Determining what types of risk are acceptable and which are not, and setting the standards and expectations of staff with respect to conduct and probity
- Approve major decisions affecting EKC Group's risk profile or exposure
- Monitor the management of significant risks to reduce the likelihood of unwelcome surprises or impact

- Satisfy itself that the less significant risks are being actively managed, with the appropriate controls in place and working effectively

Annually review EKC Group's approach to risk management and approve changes or improvements to key elements of its processes and procedures.

Role of the Audit Committee

The role of the Audit Committee in the management of risk is to:

- Review in detail EKC Group's approach and progress in the management of risk and to make appropriate recommendations to the Governing Body
- Receive reports from external parties on EKC Group's control systems and how they can be improved and developed to minimise the effect of risks to EKC Group, e.g. internal and external consultancy/auditors reports

Role of the Local College Board

The role of the Local College Board in the management of risk is to:

- Interpret EKC Group risks at the local level as an addendum to the EKC Group risk register
- Monitor and review risks at the local level to help reduce the likelihood of problems occurring and their potential impact
- Support the Governing Body in discharging their responsibilities by flagging any major concerns and/or emerging risks that could potentially lead to a new Group risk
- Promote a culture of openness and good risk management practice within their local college

Role of the Risk Audit and Compliance Committee

Key roles of the Risk Audit and Compliance Committee are to:

- Take overall responsibility for the administration and implementation of the risk management process
- Identify and evaluate the significant risks faced by EKC Group for consideration by the Audit Committee, Local College Board(s) and Governing Body
- Provide adequate information in a timely manner for the Governing Body, Audit Committee, Local College Board(s) and other relevant committees on the status of risks and controls

- Provide information on the implementation of the risk management action plan for meetings of the Governing Body
- Undertake an annual review of the effectiveness of the system of internal control and provide a report to the Governing Body
- To oversee production and maintenance of EKC Group's disaster and recovery arrangements as part of its Business Continuity Plan

Role of the EKC Group Leadership Team

Key roles of the EKC Group Leadership Team (GLT) are to:

- Ensure that the high risks are monitored on a monthly basis through the interrogation of EKC Group Performance Indicators
- Put into place additional actions to address risks where EKC Group Performance Indicators suggest that further treatment of the risk is necessary
- Ensure that the business plans are adequate in mitigating against all of the risks identified on the risk register
- Be responsible for ensuring that risk management is embedded throughout EKC Group
- Be responsible for communicating performance against mitigating the high risks

Role of all staff (as part of internal control)

All EKC Group staff are responsible for:

- Reporting any activities or incidents (to a member of the Senior Management Team) that could potentially impact on EKC Group's performance against mitigating the high risks

Review and Evaluation Process

The Governing Body is responsible for reviewing the effectiveness of internal control of EKC Group, based on information provided by the risk management group via the Audit Committee. Its approach is outlined below:

For each significant risk identified, the board will:

- Review the previous year and examine EKC Group's track record on risk management and internal control
- Consider the internal and external risk profile of the coming year and consider if current internal control arrangements are likely to be effective
